

# TECHNOLOGY FUNDRAISER

Dear BCA Parents, Friends and Alumni;

Thank you for all your help thus far this academic year. With your continued generosity, 2 Promethean Boards were purchased and installed in the 6<sup>th</sup> and 8<sup>th</sup> grades. In order to achieve our other goals for this academic year, we need your continued support.

Just in time for Easter celebration, we will be participating in a dessert fundraiser benefiting the Technology Program with Market Day! Our Goal is to raise \$6,000.00 to purchase either a Promethean Board for Kindergarten, additional laptops, iPads and /or software. We need to sell 1000 desserts to achieve this goal. If each student sells 4 desserts, we will do just that.

Every student who sells their 4 desserts will receive a dress down day on Friday, March 30<sup>th</sup>. The class that sells the highest percentage of desserts will have an ice cream social on Friday, March 30<sup>th</sup> as their reward! So talk to your family members and friends and see if they are interested in ordering one of the following desserts from you. Good Luck!!

## **Choose from 10 Delicious Desserts:**

Lemon Cake #4902
