## Acceptable Use Policy for School-Authorized Chromebook

Students using a BCA authorized Chromebook as a learning device must follow these BCA rules. If a rule is violated, student consequences will result.

1. BCA authorized Chromebooks must be used solely for academic purposes. Gaming and other non-school activities are to be done on other home devices.
2. Students are responsible for keeping a working set of headphones/earbuds at all times.
3. When at school, the students can only use BCA WiFi.
4. Device cameras can only be used when a teacher assignment requires the use of the camera.
5. Students must be respectful of other students' devices.
6. Printing of assignments cannot be done in school.
7. Students can complete work using paper and pencil if they do not have a working device.
8. Students in grades K-8 will be provided a fully functioning school approved Chromebook device to use during school.
9. Downloads are prohibited. This includes downloading images for backgrounds or wallpaper. If a student downloads inappropriate material, views or shares inappropriate material with another student, or uses their device for any other non-school related activities, the student will be in violation of school policy and face teacher and/or administrative consequences.

★ Students are responsible for the care of their device. Bridgeport Catholic Academy is not responsible for damages/loss of a student's device or accessories that occur during the school day.
